**June 2015**

**Newfound Pathways Mission:** To create a system of biking, walking and running pathways around Newfound Lake to encourage walking, running, and cycling as a safe, healthy, and environmentally sound means of recreation and travel.

### **JUNE 6, 2015 – NATIONAL TRAILS DAY**

First Trail Work Party of 2015!!!! Join us this Saturday, June 6th in Hebron

We need your help! We are excited to prep our first trail along Route 3A, which is part of our Newfound Pathway Lake Loop. We'll do some raking and clearing of the rough off-road trail. This summer we are going to transform this .3 mile trail into an 8' wide hard pack trail. It'll be our showcase path, a model for our future off-road sections of the Newfound Pathway.

Please meet us for breakfast at the Union Congregational Church in Hebron this Saturday between 8AM and 8:45AM, or at the trailhead of our new trail at 9AM, which is just north of Camp Pasquaney on Route 3A in Hebron, for our first work party of 2015. There is limited parking, on the lakeside of Route 3A across from the trailhead if you prefer to meet us there at 9AM. Wear long sleeve clothing, sturdy shoes and bring gloves, as we'll be working in the woods. Rakes and clippers are welcome.

RSVP at [info@newfoundpathway.org](mailto:info@newfoundpathway.org) or call Beth at 503-313-8831 for more info.

See you soon!

## EASEMENTS AND RIGHT OF WAYS

Doug and Doris Riddle were the first to commit to using a portion of their land for a pathway off road along the beaver pond for our pathway. Then we built a new walking trail on the Audubon Paradise Point property so people could walk off road on that hill.

We now have extended the Audubon Paradise Pathway along North Shore road along the McLane Family's property. More work needs to be done but we are growing.

We have a Right of Way agreement with the McLane Property on 3 A and that trail will be started soon.

Please consider working with us for a right of way on your property if you own along the road or in a place that you feel that a trail would benefit our mission. We are encouraging everyone to consider giving permission to build a trail with their approval on their property. Be creative and help us design this path. See following form

### **RIGHT OF WAY TRAIL PERMISSION FORM**

## **Books to Benefit Newfound Pathways**

**A History of Newfound Lake** by Ronald Collins. Newfound Lake has an interesting human history. This book gives a look at tens of thousands of years of lake history, and about ten thousand years of human history associated with the lake. This is not a history of the towns surrounding the lake. You can buy this book through Newfound Pathways for \$25.00 by emailing [info@NewfoundPathway.org](mailto:info@NewfoundPathway.org) and we will invoice you via PayPal. A portion of each sale goes to Newfound Pathways.

Pay \$30.00 and get a book and an individual membership if you are not already a member.

**The Newfound Play List: Bike, Hike, Kayak, and Walk around Newfound Lake, New Hampshire** by Nancy Lincoln.

Whether you are fairly new to the Newfound area or born and raised here, you know this region is a great place for outdoor fun in any season. Even if you've hiked every trail between Inspiration Point and Cardigan Mountain, there are probably trails to hike and places to bike that you have yet to explore.

Newfound resident Nancy Lincoln is the author of the book "The Newfound Play List: Bike, Hike, Kayak, and Walk around Newfound Lake, New Hampshire". This book must be purchased through Amazon and a portion of each sale goes to the Newfound Pathways.
