ANNOUNCEMENT

We have some very exciting news!

The Hannaford Supermarket located in **BRISTOL** has chosen **NEWFOUND PATHWAYS** as the latest beneficiary of the Hannaford Helps Reusable Bag Program!

This means for the entire month of **JANUARY**, every time the blue reusable bag with the good karma message is purchased

at the **BRISTOL HANAFORD'S**

we receive \$1!

This is truly a great opportunity for us and an easy way for you to show your support for

Newfound Pathways!

Please go to the BRISTOL HANAFORD'S, find the reusable bag rack and buy a few bags!
And remember to spread the word – the more bags purchased, the bigger donation to Newfound
Pathways.

The Newfound Pathways worked with the NH Department of Transportation to provide 10 lanes on the repaving project on 4 miles of the Mayhew Turnpike (3A) in Hebron. This gives a small shoulder for bikers, runners and walkers on the road that was not there on the previous surface

West Shore road is next. We have been working hard to get improvements for the 2017 paving of West Shore Road. Also we are working on improvements for North Shore Road paving in 2018.

The beginning of our first official Ped/Bike trail that will be how we plan to build all off road trails where we have an easement to build a trail on personal property. Trail to be completed in 2017.

BRISTOL: Watch for big happenings in Bristol. There are a lot of projects in the planning stages and we will keep you up to date in our following newsletters.

THANK YOU!!

We want to thank all of you that have supported the Newfound Pathways with your membership this year. Membership supports our efforts to make our roads safer and build off road trails. All of the business memberships went to building trails this year. Please get your friends and family to support this effort.
